NEW ROSES for 1927

FLOREX

We believe Florex to be one of the best all-round commercial Roses ever offered to the trade. Habit of growth, freedom of bloom, color, keeping and shipping qualities are superior to any of our standard commercial varieties grown today. Color: Bright coral salmon, absolutely distinct from any other Rose, therefore difficult to describe and must be seen to be appreciated. It has proven to be a good Summer Rose as well as a Winter Rose. Scions, 5000 at \$180.00; grafted plants, 100 \$45.00, 1000 \$400.00, 5,000 at \$380.00.

PREMIER SUPREME

A sport from Premier. Color: Deep rose-pink; in fact, almost scarlet. It is a large Rose, long, pointed, well formed bud, opens perfectly when cut in bud; retains its bright color under all conditions. A stronger grower and frailer bloomer and produces much longer stems than Premier without pinching. Commercially, the best of the Premiers yet offered. Scions, 5000 at \$150.00; grafted plants, 100 \$40.00, 1000 \$350.00, 5000 at \$325.00, 10,000 at \$300.00.

LUCINDA

A sport from Columbia. Exceptionally good color and possesses very fine keeping qualities. Scions \$150.00 per 1000.

RAPTURE

A sport of Ophelia. It is intensely brilliant in its vivid coloring of bright apricot, coral, rose and gold, has more petals than its parent, and produces more blooms per plant than Butterfly. Grafts, \$400.00 per 1000; scions, \$220.00 per 1000; 5000 at \$180.00 per 1000.

LAST SEASON'S INTRODUCTIONS

ROSELANDIA

A beautiful orange-yellow sport of the English Yellow Ophelia. ROSELANDIA is destined for great popularity and will quickly replace all other varieties of this type of color. Scions, \$100.00 per 1000; grafted plants, 100 \$30.00, 1000 \$275.00, 5000 at \$260.00; own root, 100 \$18.00, 1000 \$175.00, 5000 at \$160.00.

MATCHLESS BRIARCLIFF Mrs. F. R. PIERSON
Grafted plants, \$30.00 per 100, \$260.00 per 1000, 5000 at \$250.00; own root plants, \$18.00 per 100, \$175.00 per 1000, 5000 at \$160.00 per 1000

NEW CARNATIONS

1926-1927

NORTH STAR

A fine yellow, not quite so large as Sunshine, but a good commercial size. Very free and a fine keeper. A good, all-round commercial variety. Rooted cuttings, \$15.00 per 100, \$125.00 per 1000.

RADIOLITE

Awarded the Dorner Memorial Medal. A brilliant scarlet. Large bloom on long, stiff stems; does not split. Very fine keeper and shipper. Rooted cuttings, \$15.00 per 100, \$125.00 per 1000.

YANKEE GIRL

Seedling from Matchless and rose-pink Enchantress. Color: good clear deep pink, similar to Ward. Large flower; fine, long, stiff stem. Early and free bloomer. Exceptionally good keeper. Rooted cuttings, \$15.00 per 100, \$125.00 per 1000.

JEWEL

A clear shell-pink: just the shade for all purposes. Jewel is said to be the most productive Carnation in existence, therefore a money-maker. Rooted cuttings, \$15.00 per 100, \$125.00 per 1000.

IVORY

JOHNSON'S WHITE SEEDLING

A money-making White Carnation. Pure white flowers borne on long, wiry stems. Flowers are of good size, calyx never splits, very fragrant, a good keeper, and extremely prolific. Ivory makes a fine plant in the field, starts blooming early and continues to bloom right through the season. Rooted cuttings, \$14.00 per 100, \$115.00 per 1000.

LUCILLE

DEMEUSY'S PINK

Beautiful shade of salmon pink, very similar to Laddie in color. The bloom is large and good form; splendid calyx, never splits. Strong, stiff stems; makes a large plant with vigorous growth. Very free bloomer and easy propagator. Rooted cuttings, \$14.00 per 100, \$115.00 per 1000.

MOTHER GORE

BY GUDE BROS. CO., WASHINGTON, D. C.

Mother Gore, a new Carnation, strong, vigorous grower; plenty of cuttings, easy to root; color, all that can be desired in a light silvery pink; large in form and habit; altogether a money maker. \$10.00 per 100, \$90.00 per 1000.

CHRYSANTHEMUMS

There are several hundred large flowering Chrysanthemums and Pompons and as it is impossible to list them all here, we must necessarily classify them as good, better and best, and list only the best. For commercial growing, with many, however, it is a matter of choice, and we shall be glad to secure for you any variety.

Our complete list, with prices, will be ready February 1st.

NEW BEGONIAS

This set of five varieties we believe to be a decided step in advance of any Begonias of the Semperflorens type yet introduced. February delivery.

Price, \$12.00 per 100, \$100.00 per 1000

FLAME OF LOVE. Color brighter than Mrs. Patten, softer than Newcastle; dwarf and compact in growth, covered with flowers; an early variety.

ALBERT MARTIN. Like Flame of Love; flowers not quite so large; dwarf and a more bushy grower than Flame of Love; also an early sort.

LIEGNITZ. A grand sort to follow both Albert Martin and Flame of Love; ideal for late Winter and Spring pot plants, free growing, medium tall, flowers bright red, showing lighter to center and showing prominent yellow stamens, giving the appearance of a yellow eye.

CHATELAINE HYBRIDS. Very much like Chatelaine Supreme only flowers are larger with same color; freer bloomer than Supreme and not so coarse in growth.

SCHMIDT'S IDEAL. This is a true red, large flower, free growing and medium dwarf growth.

Sweet Pea Seed

We have made a special study of Sweet Peas and have selected varieties best for the commercial grower that the market affords, and we have every reason to believe that our seed is as true to name, color and type as any offered.

F. and I. TOBACCO MULCH

ITS VALUE AS A FERTILIZER

Containing, as it does, from 2% to 3% Ammonia, 4% to 6% Potash and 1/2% of Phosphoric Acid, is actually worth from 6 to 8 times as much as ordinary stable manure. At the price we ask it is cheaper than manure and far better than chemical fertilizers.

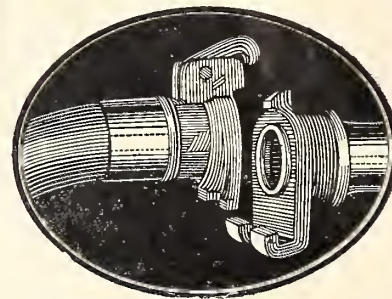

It is entirely a vegetable product and when placed in the ground rots away rapidly, adding valuable humus to the soil.

The high potash content gives the plant just the food it needs to make strong, healthy stalks; wonderful for Carnations, Sweet Peas, Roses, and other plants that need long, strong stems.

The nicotine content is very high, therefore, if used as a mulch on bench or pots it will destroy rose midge, strawberry beetle, root aphid, etc., and control green fly, thrips, aphid, and all soft-bodied, sucking insects. Nicotine content not less than 1%. \$35.00 per 2000 lbs.

Tobacco Dust. A good grade of Tobacco Dust, coarse and fine together, well screened, all large pieces of stems, wood, etc., removed. 2000 lbs. \$30.00.

Cut Tobacco Stems. Specially prepared for mulching or fumigating, clean and fresh, packed in burlap bags. 2000 lbs. \$20.00.

American Quick Coupling

It will save you many dollars in time and wear and tear of your hose prices. Hydrant attachment 60c. each; hose attachment 90c. each.
